GROW! Community Garden and Little Free Garden Project
Our goal is to create Connections + Community through food

Name of Business/Organization:

Contact Name:
Mailing address:
Phone:
Email:

Once your Little Free Garden is set up, it will be registered so parents know where their children can watch the plants grow and look forward to sampling the free produce.

Little Free Garden site location:

Briefly explain your project location:

Do you have any special requests for the types of produce you would like to grow?

By signing this application, you agree to maintain your Little Free Garden with adequate watering and to contact one of the listed individuals above if you need assistance with your garden in any way.
